V7 USB DIGITAL HEADSET
w/ Noise Cancelling Microphone

Ideal for voice and video chat, Skype, voice recognition software and online PC gaming, V7's Lightweight Stereo Headset is the solution for clutter-free communications. The headset is designed with a highly sensitive omnidirectional microphone that can be folded away when listening to music or movies. The adjustable headband has convenient inline controls that allow you to adjust volume. Built with an extra long 1.8 meter cable and soft foam ear-pads for comfort, this stereo headset offers hours of listening enjoyment for your media selection. Compatible with computers, iPods, iPads, CDs and mp3 players equipped with a 3.5mm
